DELTA TAU DELTA FRATERNITY AT THE UNIVERSITY OF NEBRASKA-LINCOLN | Spring 2011

Brothers Commit More Than \$1 Million to Beta Tau Excellence Campaign

BASEMENT FLOOR PLAN

CLASS LEADERS ENCOURAGE 100% PARTICIPATION

We are happy to announce the capital campaign for Beta Tau has made excellent strides over the course of the last several months, and we have raised more than \$1,061,200 toward our goal of \$1.5 million. From our dedicated undergraduate members committing more than \$50,000 to our class leaders engaging in a grassroots effort to encourage broad-based support from their pledge brothers, we are forever grateful to each and every one of you who has helped us get this far. Some have given in honor of cherished brothers, or housefather **Tom Rutz '65** and former cook Deanna Schultz, while others have given simply in the hope that the next generation of Delts has the same opportunity for brotherhood and growth that we had.

We are at a critical development stage and must make every effort to reach our \$1.5 million goal. We are asking every brother to make a pledge or contribution, no matter the size.

Many fraternities at the University of Nebraska have already completed or are currently renovating their facilities. However, with your help, we know that we can surpass the competition and have one of the finest Greek facilities UNL has to offer. We are in the early stages of the design process, working with Carlson West Povondra Architects to create the blueprints for our renovated Shelter. Desired renovations include a total overhaul of the basement, installation of central heat/air and fire sprinklers, renovation of the houseparent suite, the addition of numerous upper classman suites with private bathrooms and personal study and sleeping spaces, and much more. However, the scope of the project will ultimately depend on the success of the campaign in the coming months. Thus, we are at a critical development stage and must make every effort to reach our \$1.5 million goal as quickly as possible.

Delta Tau Delta is certainly blessed to have the support of so many devoted brothers. **To date, 169 individuals have made gifts and pledges. While this certainly is a great number by itself, we have to believe we can do much better given that we have more than 1,260 living actives and alumni!** We are asking every brother to make a pledge or contribution, no matter the size. Spreading your gift of \$500, \$1,000, \$2,500 or \$5,000 over five years results in a manageable payment of \$100, \$200, \$500, or \$1,000 per year and makes a significant difference in the overall project.

We understand that there is no end to the worthy causes deserving your support. However, we are asking you to give this project due consideration—if you have not yet pledged

your support, please take a moment to reflect on how your experience at Beta Tau impacted your life and remember the lifelong friendships formed there. Now is your opportunity to play a major role in the success of this project!

Fraternally,
Paul Engler '47
Honorary Campaign Chairman

Alex Wolf '00
House Corporation President

THANK YOU, LOYAL BROTHERS, FOR CONTRIBUTING \$1,061,200

We are deeply grateful to the brothers who have pledged \$1,061,200 to *A Commitment to Beta Tau Excellence: Honoring Our Past ~ Securing Our Future*. This generosity demonstrates that these alumni and undergraduates recognize the importance of ensuring the future of the Beta Tau Chapter.

Commitments are still needed from our alumni to achieve our goal and complete this major project. If an error has been made in recording your gift, we sincerely apologize. Please contact our campaign coordinator with corrections at (785) 843-1661.

FUTURE SUCCESS OF BETA TAU PROMPTS BRIAN HAMILTON '68 TO GIVE

Rousing memories and deeply felt lessons greet **Brian Hamilton '68** as he thinks back to his time as a Delt at Nebraska. Following the lead of his brother, **Bruce Bullock '64**, and the positive experience he had as a Delt, Brian joined the men of Beta Tau. "I have many fond memories of the Shelter, and without it my life would have been completely different."

His memories of undergraduate days encompass pledge sneaks, pinnings, serenading sororities, and food fights. But at a deeper level, Brian says, "you get the best friends you will ever have. Studying hard and fighting for a degree make life much easier to get through, but the key to becoming successful is great friends and working hard."

His appreciation for this time in life led Brian to consider the campaign for Beta Tau. "We were all beneficiaries of Deltas that came prior to us and it's time for our era to step up and do the same for the future success of the Delt Shelter. This rebuilding

plan has been well thought out and will address safety concerns like fire sprinklers that must be installed. The heating and air-conditioning systems are 40 years old and new equipment will be more efficient and provide long-term savings. Our pledge training taught us to be team players, and if everyone makes a gift, however large or small, it will make the drive successful."

Brian and his wife, Carey (a Pi Phi from Nebraska he met through **John Beardmore '69**), make their home in Grand Island and Omaha, Nebraska, and have two daughters and four grandchildren. They have been in the automobile business for almost 30 years and own four dealerships in Kearney and Bellevue. Brian can be reached at bchchev@aol.com.

“Our pledge training taught us to be team players, and if everyone makes a gift, however large or small, it will make the drive successful.”

HOLDING THE SHELTER IN TRUST

Why I Gave
Bill Schwartzkopf '70

"Attending UNL was the best fit for me as an undergraduate," shared **Bill Schwartzkopf '70** (son of **Ed Schwartzkopf '46**). "During recruitment, I found an organization that matched my interests. Beta Tau was a good mix of social and academic personalities with diverse backgrounds. Joining the Fraternity was a stepping stone in my development as a young man. It was a rite of passage that demonstrated to me that leadership is not directing or ordering people, but inspiring others to take action."

Bill continued to evolve and mature as he completed his degrees in electrical engineering and law. He was employed in the construction industry for several years and subsequently shifted into a career providing consulting and expert witness services internationally. Bill's loyalties remain with the Fraternity and the brothers of Beta Tau. These fraternal ties led him to the

decision to support the chapter's efforts to update the Shelter.

"As an undergraduate, I received the benefits of living in a Shelter built and maintained by dedicated alumni. Now it is my turn to give current and future undergraduates the same benefits and allow them to hold the Shelter in trust for future Delt members. Improving the Shelter will create a better living and learning environment and make it easier to attract and retain high-quality members. I have seen how the chapter has grown and succeeded through the years. I urge all alumni to support this campaign."

Bill lives in Westminster, Colorado, with his wife, Michelle, an Alpha Chi Omega. They have two children, Stephanie (also an AXΩ) and Scott. Bill enjoys skiing and the chance to be a cowboy on the family's ranch in Wyoming. He can be contacted at bills@sageconsulting.com.

ALUMNI NEWS

CHAPTER ETERNAL

Lee Phelps Jr. '46 of Stockton, Kan., entered Chapter Eternal on March 16, 2010, at his home. He was 86 years old. Lee served in the U.S. Navy during World War II and spent his working life as a pharmacist. He and his wife of 63 years, Ruth, owned and operated Phelps Card and Gift. Lee is survived by his children: Craig, Jan, Mary, and Kay; 12 grandchildren; and four great-grandchildren.

Hal K. Mardis, M.D. '52 passed on to Chapter Eternal on February 28, 2010. He practiced urology in Omaha, Neb., and is survived by his wife, Barbara; son, Mike; daughters, Anne and Jeanne; stepson, Kristopher; and three grandchildren.

Albert "Ed" McClure Jr. '52 entered Chapter Eternal on August 4, 2010. He and his wife, Hope, were married in 1955 and farmed in Blue Springs, Neb. Ed served in the U.S. Army and was a member of the Episcopal Church, Anderson Post #25, and the Honor Guard. His hobbies included aviation, traveling, and listening to the news and to Rush Limbaugh.

Alan L. Thober '54 of Beatrice, Neb., passed on to Chapter Eternal on December 14, 2010. He was a sheep rancher and served in the U.S. Army. Alan is survived by his wife, Linda; children: Kristy, Jennifer, and Jeff; and four grandchildren.

Richard Hoth '72 entered Chapter Eternal on April 3, 2010, at his home in Pahrump, Nev., after battling cancer. He graduated from Nebraska School of Pharmacy and was a long-term employee of Smith's Pharmacy. Dick's passions were for golf and spending time with family and friends. He is survived by his wife, Nancy; stepchildren, Ben and Katy; grandsons: Ben, Jacob, and Isaac; and father, Herman.

ALUMNI UPDATE

Ralph "Whitie" Reed '38 reports that, at the age of 95, he received the McDowell Village Theater's Oscar for Outstanding Performance for his role as Costello in their production of *Abbott & Costello*.

Paul E. Cook '52 and his wife, Barbara, have been married for 50 years. They have eight children, all within a one-hour trip. The

couple sings in their church choir, and Barbara sings in a country/gospel trio and does photography while Paul sings with a barbershop chorus and gardens.

Dean Jenkins '53 is very busy and feeling great. He plays a lot of golf and spends a lot of time in the cattle business and with the Nebraska Customers' Association. E-mail: dean.jenkins@cox.net

Richard G. Geier '54 shares that Beta Tau active **Jon Geier '09** is his grandson. Richard and his wife, Rae, met in the Beta Tau parking lot in 1954. E-mail: rgeier@neb.vr.com

Parker L. Shipley '55 reports that in May 2010 he was elected president of the board of directors for the Mountain Brook Village Players Association, a live theater company in Gold Canyon, Ariz., where he spends the winter with his wife, Velma. He says that he always wanted to try acting and finally did in 2009.

Tom K. Sheldon '58 retired in 2000 and relocated to Alacha, Fla. He and his wife, Laurie, live on five acres close to Gainesville and follow Gator football and basketball. Tom enjoys playing golf several times a week.

Bruce C. Rauscher, D.D.S. '66 has been married to his wife, Ann, for nearly 40 years. They live in Lincoln and enjoy their three grandchildren. Bruce practices general dentistry and races a '56 Corvette.

Michael H. Grosse '69 is the owner of International Adventures Unlimited. He and

his wife, Danielle, live in Gunnison, Colo., and have four children: Joey, Jason, Justin, and Jordan. E-mail: intadvun@gunnison.com

Michael D. Jenkins '83 is an engineer at AT&T and his wife, Edlyn, works for British Petroleum in Hong Kong, China.

Mark R. Valenta '88 has lived in Las Vegas for 22 years. He attends the College World Series every summer and one or two football games in Lincoln each fall. He visits the Shelter every time he is in town.

Mark A. Johnson '90 has been an elementary school principal for several years. He speaks nationally as an educational consultant and is the co-creator of The Number One Position, a philosophy on teaching and raising children. E-mail: mark@tnop.net

James J. Eickhoff '92 moved with his family from Los Angeles to Nashville so that he could take the position of sales director for the southeast region of 3M Unitek Orthodontics. James and his wife, Kari, have three children: Jentry, Jake, and Warner.

David J. Maloley, D.D.S. '94 moved to Vail Valley, Colo., and opened Vail Valley Dental Care in December 2009. He and his wife, Karah, had their first child, Bennett, on May 5, 2010. E-mail: davidmaloleydds@aol.com

Chad B. Mariska '95 moved to Tulsa, Okla., and would love to know if anyone is in the area. E-mail: cmariska@yahoo.com

Seth T. Krivohlavek '96 and his wife, Molly, teach in the Elkhorn, Neb., public school district. They have both been fortunate to coach state championship teams and individuals. Their greatest blessing came when Molly gave birth to their son, Kellen.

Aaron T. Bals '01 graduated from the University of Oregon School of Law in May 2008. He resides in Portland and works for a firm specializing in litigation, appeals, administrative law, and public law.

Justin P. Tomka '02 earned his master's degree in architectural engineering. He lives in Scottsdale, Ariz., with three members of Sigma Alpha Epsilon's 2002 pledge class. E-mail: jptomka@hotmail.com

Undergraduates Set New Performance Standards

*Stewardship of Shelter
a Top Priority*

On behalf of the chapter, we are extremely excited for the future of Beta Tau! The support that we have seen from our fantastic alumni in connection with the *Commitment to Beta Tau Excellence: Honoring Our Past ~ Securing Our Future* campaign is awe inspiring.

Undergraduates' Financial Commitment

Determined to do our part, members have pledged nearly \$50,000 to the campaign. Coming from college students, who have little income, I can attest that this is truly a significant commitment. Moreover, many of these pledges are from juniors and seniors that will never get to live in the Shelter once it is renovated. This shows the confidence that the undergraduates have as Delt continues to be a standard-bearer on campus and among our international Fraternity.

Physical Needs of the Shelter

In our opinion, the renovations could not come at a better time. In the last several years we have seen an increase in the number of problems with the basic infrastructure of the house (e.g., electrical, plumbing, etc.) due primarily to normal wear and tear and components of the Shelter approaching the end of their useful life. Moreover, some of the house's features are outdated and have lost some of their functionality. The proposed renovations will be designed to address these issues, not to mention add essential creature comforts like central heat and air conditioning, as well as the safety benefits of a fire sprinkler system. Simply put, these renovations will make the Shelter a

place where actives and pledges alike will be excited to live and will allow us to be even more competitive in recruitment.

Raised Scholarship Standards

The prospect of this renovation has led us to dream bigger in all aspects of undergraduate life, including academics. We recently raised our standards for a minimum G.P.A. a full half-point above the international Fraternity's standards. We are also implementing new programs to promote academic improvement and success. This year we are introducing the Bob Foehlinger Scholarship (\$1,000), which will be awarded to an incoming freshman who shows academic achievement, outstanding involvement, and a well-rounded lifestyle that is emblematic of the type of Delt that **Bob Foehlinger '01** was, and we should all aspire to be.

Fraternal Recognition

The hard work of Beta Tau was recognized at the Western Plains Division Conference held in Kansas City at the end of January. The chapter received its 25th Court of Honor Award for being a top 20 chapter, and former chapter President **Drew Keithley '07** was recognized as Outstanding Chapter President.

New Household Procedures

In order to prepare for the renovations, we are working closely with the House Corporation to develop policies and procedures that will

ensure the Shelter is properly maintained and cared for. For example, together we have developed a formal room check-in and check-out procedure to increase accountability in a place where so many are changing rooms each semester. We understand that we are stewards whose responsibility will be to keep the newly renovated house in good condition for generations of Delts.

Fraternally,
Brian Elsasser '08
Chapter President
